Exit Music (For A Film)

Easy Star All-Stars

Wake from your sleep
The drying of your tears
Today we escape, we escapePack and get dressed
Before your father hears us
Before all hell breaks looseBreathe, keep breathing
Don't lose your nerve
Breathe, keep breathing
I can't do this aloneSing us a song
A song to keep us warm
There's such a chill, such a chillYou can laugh
A spineless laugh
We hope your rules and wisdom choke you
Now we are one in everlasting peaceWe hope that you choke, that you choke
We hope that you choke, that you choke
We hope that you choke, that you choke
