

# Exit Music (For A Film)

## Easy Star All-Stars

Wake from your sleep  
The drying of your tears  
Today we escape, we escapePack and get dressed  
Before your father hears us  
Before all hell breaks looseBreathe, keep breathing  
Don't lose your nerve  
Breathe, keep breathing  
I can't do this aloneSing us a song  
A song to keep us warm  
There's such a chill, such a chillYou can laugh  
A spineless laugh  
We hope your rules and wisdom choke you  
Now we are one in everlasting peaceWe hope that you choke, that you choke  
We hope that you choke, that you choke  
We hope that you choke, that you choke
