

Big Slice

Jonas & The Massive Attraction

You came here looking for attention
Sell your confessions for some hard core rock n' roll
I cannot offer you redemption
A temporary satisfaction for your soulToo much talk and you can't take anymore
You got a one track mission on your mindGet on, get off, you wanna big slice
Come up, sit tight, we'll get you done right
Get on, get off, this is a big night
Come up, sit tight, we'll get you done rightYou wanna big slice
Whoa, whoaYou came here looking for attention
I see you dancing in this hardcore rodeo
No I don't have to ask the question
Cause your an animal and I'm ready to goToo much talk and I can't take anymore
I got a one track mission on my mindGet on, get off, you want a big slice
Come on, sit tight, we'll get you done right
Get on, get off, this is a big night
Come on, sit tight, we'll get you done rightYou wanna big slice
Whoa, whoaRepeat chorus
x2You wanna big slice
Whoa, whoa
You wanna big slice
Whoa, whoa
