

# While I Play

## Bee Gees

I cry tears of emotion to spread across the U.S.A  
Ain't no sunshine cowboy, in your pockets  
I'll make my own way while I play  
Baby you forgot your livin'  
Someone covered up your eyes  
In my way at least I'm givin' what I love, am I wise?  
There's gonna be some confusion and there's gonna be a day  
You'll raise your eyes and you'll look to the skies  
And you'll pray, while I play  
I am my father's son or that is what I heard  
Maybe I got it wrong, I didn't mean a word  
You got my face and I'll play your ace, pretend I haven't heard  
There's gonna be some confusion and there's gonna be a day  
You'll raise your eyes and look to the skies  
And you'll pray, oh while I play  
I am a minstrel, that is all I want to be  
I'll play inside your soul, I'll show you to yourself  
I'll fill your head with wild emotions, a symphony in wealth  
There's gonna be some confusion and there's gonna be a day  
You'll raise your eyes and look to the skies  
And you'll pray, while I play  
I will take my leave, I gotta move on time  
I played inside your soul, I made you sing along  
I will return to find out if the melody was wrong  
There's gonna be some confusion and there's gonna be a day  
You'll raise your eyes and look to the skies  
And you'll pray, while I play, while I play
