

# Johnny on the Spot

## Texas Is the Reason

You're allowed to stay for a while.  
I'm going to need your time and waste some time again,  
I would have thought by now you would be so sick of trying  
because I'm sick of hearing it so sick ok listening to it.  
Everybody tells me something different,  
something different every time.  
I'll make up my own mind just let me sit here for a while.
