Wherever you will go (live) <3Â³

The Calling

So lately, been wondering
Who will be there to take my place
When I'm gone you'll need love to light the shadows on your face
If a great wave shall fall and fall upon us all
Then between the sand and stone, could you make it on your ownIf I could, then I would,
I'll go wherever you will go
Way up high or down low, I'll go wherever you will goAnd maybe, I'll find out
A way to make it back someday
To watch you, to guide you through the darkest of your days
If a great wave shall fall and fall upon us all
Then I hope there's someone out there who can bring me back to youIf I could, then I would,
I'll go wherever you will go
Way up high or down low, I'll go wherever you will goRun away with my heart
Run away with my hope
Run away with my loveI know now, just quite how
My life and love might still go on
In your heart, in your mind, I'll stay with you for all of timeIf I could, then I would,
I'll go wherever you will go
Way up high or down low, I'll go wherever you will goIf I could turn back time, I'll go wherever you will go
If I could make you mine, I'll go wherever you will go
I'll go wherever you will go
