Give Me A Reason

Caliban

Let me remind you of the cold mountain skies
The time we felt this red hot fire inside
I'd like to picture it again, your pretty face and blazing eyes
In front of these burning skiesSo give me a reason
I just need a sign
I think I really love you
I think I'm supposed to fightPlease let us repeat this time
Let's save what we had
I'm afraid to lose my mind with you on my side
I don't know why I'm still hereSo give me a reason
I just need a sign
I think I really love you
I think I'm supposed to fightI need your promise or a kiss
Show me the way out of the abyssGive me a reason
I think I really love you
I think I'm supposed to fight
