Rufkutt

Waoh, hey, waoh, see, waoh, see, oh well, hey
Ah, from mi stand up inna volcano
Ah, from den mi bun di ganja pipe
Babylon come an tell mi dat naw right
Mi say mi bun it an pass it on da right

Mi say dem come in and dem lookin' pon di dread
Dem say, "Hey natty dread locks, a where you come from?
You muss have two stick a sensi under your tam"
Mi say, "No officer, lawd, you muss be madd
Mi only smoke cigarette an strictly shag"

Ooh, see, waoh, see, oh well, hey

Under mi sensi, mi under mi sensi
Under mi sensi, mi under mi sensi
Under mi sensi , mi under mi sensi
Under mi sensi, mi under mi sensi, waoh

See, waoh, ooh, waoh, hey
All over mi Babylon, dats all over mi
All over mi Babylon dats all over mi
Dem no ramp wid me, I strictly sensi
All over mi Babylon, it's all over mi

Oh no, what? Oh no, see
All over mi Babylon, it's all over mi
All over mi Babylon, it's all over mi
All over mi wicked mann, it's all over mi
Oh no, see, waoh

Hey, Babylon, you no like ganja mann
But ya weed bring da foreign currency pon di island
To Babylon no badda charge me, SA
To Babylon no badda charge mi, SA
One box pon mi lip a bare blood start spit
To Babylon no badda charge mi, SA
