

# Promises In the Dark

[Pat Benatar](#)

Advisory - the following lyrics contain explicit language:

Never again, isn't that what you said?  
You've been through this before and you swore this time  
You'd think with your head  
No one, would ever have you again  
And if takin' was gonna get done you decide where and when  
Just when you think you got it down  
Your heart securely tied and bound  
They whisper, promises in the dark  
Armed and ready you fought love battles in the night  
Too many opponents made you weary of the fight  
Blinded by passion, you foolishly let someone in  
All the warnings went off in your head still had to give in  
Just when you think you got it down  
Resistance nowhere to be found  
They whisper, promises in the dark  
Promises, you know what they're for  
It sounds so convincing but you heard it before  
'Cause talk is cheap and you gotta be sure  
And so you put up your guard  
And you try to be hard but your heart says try again  
You desperately search for a way to conquer the fear  
No line of attack has been planned to fight back the tears  
Where brave and restless dreams are both won and lost  
On the edge is where it seems it's well worth the cost  
Just when you think you got it down  
Your heart's in pieces on the ground  
They whisper, promises in the dark
