

# Turn The Lights Out (JFB Remix)

## Hadouken!

Turn the lights out, turn the lights out  
Turn the lights out, turn the, turn the  
Turn the lights out, turn the lights out  
Turn the lights lights out Make way for the ultraviolet, teenage riot, don't try it  
You can't (stop this, stop this) You can't (stop this, stop this)  
You see I'm lit like a Molotov  
Get out my way when the riot kicks off  
You can't (stop this, stop this) You can't (stop this, stop this) Get ready for the rough and tumble  
If you wanna be starting something  
You ain't seen nothing yet, no you ain't seen nothing  
Push your way to the pit, stand tall raise your hands  
If you wanna be starting something  
You ain't seen nothing yet, no you ain't seen nothing Turn the lights out, turn the lights out, turn the lights  
out Make way for the bass  
We fracture ribs and the dim when the sun comes in  
(Go, go go go go go go go)  
Make way for the drums  
We pillar these beats so hard like concrete sheets  
(Go, go go go go) We lit the fuse and we're ready to blow  
I don't care where we are, I don't care where we go  
You better run from cover where the filaments go  
I don't care where we are, I don't care where we go This is your last chance boy, this is your last chance  
This is your last chance, your last chance Make way for the cardinal sin  
When the boys come out when the freaks come in  
(Go, go go go go go go go)  
Make way for the horror show  
If you wanna bring it then we'll come a loco  
(Go, go go go go go go go) We lit the fuse and we're ready to blow  
I don't care where we are, I don't care where we go  
You better run from cover where the filaments go  
I don't care where we are, I don't care where we go I don't care where we go  
I don't care where we go Turn the lights out  
Turn the turn the  
Turn the lights out
