High and Dry

Jorge Drexler

Two jumps in a week
I bet you think that's pretty clever
Don't you boy?Flying on your motorcycle
Watching all the ground beneath you drop
You'd kill yourself for recognition
Kill yourself to never ever stop
You broke another mirror
You're turning into something you are notDon't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dryDrying up in conversation
You will be the one who cannot talk
All your insides fall to pieces
You just sit there wishing you could still make loveThey're the ones who'll hate you
When you think you've got the world all sassed out
They're the ones who'll spit at you
You will be the one screaming outDon't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dryIt's the best thing that you've ever had
The best thing that you've ever, ever had
It's the best thing that you've ever
The best thing you have ever had has gone awayDon't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dry
