

# Key Largo

Bertie Higgins

Wrapped around each other  
Trying so hard to stay warm  
That first cold winter together  
Lying in each others arms Watching those old movies  
Falling in love so desperately  
Honey, I was your hero  
And you were my leading lady We had it all  
Just like Bogie and Bacall  
Starring in our old late, late show  
Sailing away to Key Largo Here's looking at you kid  
Missing all the things we did  
We can find it once again, I know  
Just like they did in Key Largo Honey, can't you remember  
We played all the parts  
That sweet scene of surrender  
When you gave me your heart Please say you will  
Play it again  
'Cause I love you still  
Baby, this can't be the end We had it all  
Just like Bogie and Bacall  
Starring in our old late, late show  
Sailing away to Key Largo Here's looking at you kid  
Missing all the things we did  
We can find it once again, I know  
Just like they did in Key Largo We had it all  
Just like Bogie and Bacall  
Starring in our old late, late show  
Sailing away to Key Largo
