

Heart Shaped Box (Several Us! dubstep remix)

Nirvana

She eyes me like a Pisces when I am weak
I've been locked inside your heart-shaped box for weeks
I've been drawn into your magnetar pit trap trap
I wish I could eat your cancer when you turn blackHey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice

Hey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice

Hey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice, your adviceMeat-eating orchids forgive no one just yet

Cut myself on angel hair and baby's breath

Broken hymen of your Highness, I'm left back

Throw down your umbilical noose so I can climb right backHey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice

Hey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice

Hey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice, your adviceShe eyes me like a Pisces when I am weak

I've been locked inside your heart-shaped box for weeks

I've been drawn into your magnetar pit trap trap

I wish I could eat your cancer when you turn blackHey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice

Hey!

Wait!

I've got a new complaint
Forever in debt to your priceless advice

Hey!

Wait!

I've got a new complaint

Forever in debt to your priceless advice, your advice, your advice, your advice
