Broken Words (Acoustic)

Finger Eleven

Your sweet little hands
Brush right past me
Sometimes you don't understand
Why you can't reachI bite when I don't want to bend
How silent I can be
So she is silent tooShe's the one who saw my words
Broken, torn at the seams
And broken words were all she heard
Now she's walking away from meAnd some never meant
And some meant well
The difference between us is so
Hard to tellAnd I was so shaken but now
All I see
Is everything she meant to meAnd she's the one who saw my words
Broken, torn at the seams
And broken words were all she heard
Now she's walking awayShe's the one who saw my words
Broken, torn at the seams
And broken words were all she heard
Now she's walking awayAnd she's the one who saw my words
Broken, torn at the seams
And broken words were all she heard
Now she's walking awayAnd broken words were all she heard
Now she's walking away
