Girl Dreams

Beck

You're just the girl of my dreams
But it seems my dreams never come true
You're just the girl of my dreams
But it seems my dreams never come true
I first met you down on lover's lane
The birds were insane, flapping all about
Swinging on your swing, you would sing
There was nowhere else to be
You're just the girl of my dreams
But it seems my dreams never come true
Sleeping underneath your car, watching from afar
Sleeping in a graveyard, fingers pointed down
You were just a frown [unverified]
Blindly to the boat and alone [unverified]
You're just the girl of my dreams
But it seems my dreams never come true
Just the girl of my dreams
And it seems my dreams never come true
