

Crystal Mountain (Demo)

Death

Built from blind faith, passed down
From self-induced fantasy, turn a page to justify
Conjuring power, it opens wide on your seventh day
Is that how it's done? Twisting your eyes to perceive
All that you want To assume from ignorance
Inflicting wounds with a cross-turned dagger
Inside Crystal Mountain, evil takes its form
Inside Crystal Mountain, commandments are reborn
All the traps are set to confine
All who get in the way of the divine
In sight and in mind of the hypocrites
A slave to the curse, forever confined
Shatter the myth, don't cut yourself
On your words against dreams made of steel
Stronger than any faith that inflicts pain and fear
So is that how it's done? Twisting your eyes to perceive
All that you want To assume from ignorance
Inflicting wounds with a cross-turned dagger
Inside Crystal Mountain, evil takes its form
Inside Crystal Mountain, commandments are reborn
