I ignore all, I just contain Predicated on a great disconnect
I don't react and I do not reflect
I just ignore all, I just retain The invisible hand no longer guides, it chokes

The paper burnt for days

No room for ethics now, greed is in charge
I ignore all, I just constrain How many barrels are left in the field?
I only care for the coins that you yield
I ignore all, I just obtain The invisible hand no longer guides, it chokes
The invisible hand no longer guides They blew up the bank of England
The paper burnt for days
They blew up the bank of England, oh They blew up the bank of England

The paper burnt for days
The paper burnt for days
The paper burnt for days
The paper burnt for days
