Sacrificial Hire

Magrudergrind

They are your horror
They are your comfort
They creep into
Every facet of your lifeYou joined the movement
Counting down the days
Until your suicide
Fearful of showing opposition
Horrified that they will
Slaughter your kin
Wishing for death
Praying for the day
That you go to die
To fulfill your deed
To destroy your enemy
A devotion to the eradication
Of free thought
They tell you to kill yourself
For sake of the larger causeIndoctrinated since the day of your
Conception
With the rest of your generation
Like the cohorts that
Came before you
Discount the living and welcome
A death drenched in martydomA sensless death
In a pointless cause
