I just noticed that she was looking at me  
Chill homeboy be cool  
Cause there aint no reason for all that fussin at me  
Its just gettin started  
And theres a lot of fish around  
here just shakin they jelly  
I ain't tryin to be rude dude but we tryin to tear up the place come on  
There aint nothing to it  
If you wanna get down then we can do it-do it  
There aint nothing to it  
Get out your seat  
Why  
You aint glued to it  
Be easy and watch that--tone  
Keep stepping with your new suede shoes--on  
Boys and girls lets all sing along  
Now everybody just get on the good foot  
Get on the good foot  
Now, how am I supposed to know that she's yours  
She aint got no ring on her finger  
It aint our fault homeboy that your girl likes to wonder and linger  
Your actin so serious  
We just danced I aint even ask for her number  
Dont be mad cause we the life of the party we aint tryin to hurt nobody talk to 'em  
Im not being cocky  
I just noticed that she was looking at me

Chill homeboy be cool  
Cause there aint no reason for all that fussin at me

Its just gettin started  
And theres a lot of fish around  
here just shakin they jelly  
I aint tryin to be rude dude but we tryin to tear up the place Come on  
There aint nothing to it  
If you wanna get down then we can do it-do it  
There aint nothing to it  
Get out your seat

You aint glued to it  
Be easy and watch that--tone  
Keep stepping with your new suede shoes--on

Now everybody just get on the good foot  
Get on the good foot  
If you keep on pressin at me  
(That dont bother me none)  
Cause I see every fish in the sea  
(Ima get the baddest one)  
You take yourself so seriously  
(But you dont impress me none)  
Dont be alarmed boy..we came to do no harm boy  
Talk to 'em  
Im not being cocky  
I just noticed that she was looking at me  
Chill homeboy be cool  
Cause there aint no reason for all that fussin at me  
Its just gettin started  
And theres a lot of fish around  
here just shakin they jelly  
I aint tryin to be rude dude but we tryin to tear up the place Come on  
There aint nothing to it  
If you wanna get down then we can do it-do it  
There aint nothing to it
