This Ain't No Rag, It's a Flag

Charlie Daniels Band

This ain't no rag, it's a flag
And we don't wear it on our heads
It's a symbol of the land where the good guys live
Are you listening to what I saidYou're a coward and a fool and you broke all the rules
And you wounded our American pride
And now we're coming with a gun and you know you're gonna run
But you can't find no place to hideWe're gonna hunt you down like a mad dog hound
Make you pay for the live you stole
We're all through talking and a messing around
And now it's time to rock and rollWell, these colors don't run and we speak as one
When we say united we stand
If you mess with one, you mess with us all
Every boy, girl, woman and manYou've been acting mighty rash and talking that trash
Let me give you some advice
You can crawl back in your hole like a dirty little mole
But now it's time to pay the priceYou might of shot us in the back, now you have to face the fact
That the big boys' in the game
And the thunder's been crashing and the lightening's been flashing
And now it's getting ready to rainThis is the United States of America
The land of the brave and free
We believe in God, we believe in justice
We believe in libertyYou've been pulling our chain
We should've done something 'bout you a long time ago
But now the flag's flying high and the fur's gonna fly
Soon the whole world's gonna knowWell, this ain't no rag, it's a flag
Old glory red, white and blue
The stars and the stripes when it comes to a fight
We can do what we have to doOur people stand proud
The American crowd is faithful, loyal and tough
We're good as the best and better than the rest
And you're gonna find out soon enoughWhen you look up in the sky and you see the eagle fly
You better know he's a heading your way
'Cause this ain't no rag, it's a flag
And it stands for the USAUSA
USA
USA
USAWhen you look up in the sky and you see the eagle fly
You better know he's a heading your way
'Cause this ain't no rag, it's a flag

And it stands for the USAUSA
USA
USA
