Lay Down

Caravan Palace

Get sick
And I can't predict
And, oh, my soul is down on me
And I can't get sick
And I can't get this
And oh, my soul is bound for hellBack in the hip
I'm gonna sit down on my knees
And begin to clean
Nobody gonna tambourines
And again in the hip
I'm gonna sit on my knees
I'm comfy, nobody gonna turn me outI'm gonna (lay down)
get sick and I can't (lay down)
my soul is bound (lay down)
get sick and i can't my soul is bound for hell
I'm gonna (lay down)
Back in the hip I'm gonna (lay down)
Ain't nobody gonna (lay down)
Lonely, ain't nobody gonna turn me outGet sick
