

Gospel Road

Johnny Cash

Now come along with me in the footsteps of Jesus
And I'll show you why they do
Matthew Mark and Luke and John told about Jesus on that gospel highway
Matthew Mark and Luke and John told about Jesus on that gospel road
How his pillow was a stone where he laid his head
How the hungry five thousand on the hill were fed
How the people came and listened to him ev'rything he said
Walkin' down that gospel road
The desire of ages now had finally come
Born to walk upon that Gospel Highway
Born of a virgin down in Bethlehem
Born to walk upon that Gospel Road
And life would begin at the touch of his hand
The people would listen to him throughout the land
For never a man spoke like this man
Walkin' down that Gospel Road
