

# Interlude

**Jared Hart**

We've been here before  
Right down on the floor  
You're the one I adore  
And I've lost my mind  
About a thousand times  
When the stars align  
It's not the end of the world  
It's not the end of the world  
But if the kingdom comes  
Make sure you walk and don't ever run.  
I promise  
And we're grinding teeth  
Just to fall asleep.  
You fall into me  
It's not the end of the world  
It's not the end of the world  
But if the kingdom comes  
Make sure you walk and don't ever run.  
I promise
