## Nelly

Yeah, yeah  
Yeah, uh huh, yah  
Yeah, yeah  
Yeah, fo' sho'  
Yeah, yah  
Mmm, mmm, mmm  
Mmm, mmm mmm  
Uhh, yah  
M O B B, baby, wooUhh, yeah, right, uhh  
Let's do this, one time baby  
Uhh, yeah, yeah  
Yah, yoWhattup ma, the name H doe, I'm into pesos  
V.I.P. and champagne by the caseloads  
Doubles get you from that bar, and get you right  
Or get you bent, whatever you likeI'm not into wifin', no sir  
I just wanna beat it up, hear the kitty-cat purr  
The whip or the tail, whichever you prefer  
The crib off limits, got wifey durrGot a man home beast, then be easy ma  
She don't know how to creep, I be teachin' ma  
I got jars of that haze, yeah, I'll show you how to twist  
Get it tight but not too tight, it's all in the lickI'll show you which end to burn, how to spot that trick  
All you need is the will to learn  
And some good trees to burn  
Relax, you'll be straight like a perm, wordI need a man, who's up on his game  
And can give me some affection, satisfy me many ways  
Are you the one to do it for me playa?  
Are you the one to do it for me playa?  
Then maybe I can hook up witcha laterBabe girl, you now rockin' with strength  
Infamous Thugs is nuttin' to slug  
Anyone, they try to ruin our fun  
I don't wanna scare you away, I'm sayin' whassup  
Tell your friends come over here, and party with usIf y'all from the hood, y'all gon' love our ways  
'Cause we got money and we still the same way  
Go 'head, do that dance, and you can feel free  
To be you and just do you, everything's greatYeah, tonight we gon' have a little too much to drink  
Just leave your car in the lot, so you can feel safe  
We gon' party 'til six then take it to my place  
Then later on I'll have a car bring you back safeI ain't into games, I'll give it to you straight  
We can have a part time love, I just want it straight

Really doe, I changed doe, not no dames  
So however you wanna call it, it's okay I need a man, who's up on his game  
And can give me some affection, satisfy me many ways  
Are you the one to do it for me playa?  
Are you the one to do it for me playa?  
Then maybe I can hook up witcha later  
Uhh, uhh, aiy, check it, check it, check it Baby girl, right here is where you need to be  
You better duck cause the bottles pop easily  
Go and get your other friends, 'cause you comin' with me  
Derry E N T with the M O B See, no respect for the Country Grammar  
So I kick the Dunn language, the response was better  
We like, 'Dunn' did it, 'Dunn' hit it, 'Dunn' split it  
Everything hon wanted, Dunn was with it She like to see me doo-rag'd and me ball-cap'd  
She like to see me tailored, Gator'd, slacked  
In fact, I see you lookin' through the windshield wipers  
As the rain hit the windows on the blue Dodge Viper The sniper, not never but hit ya from long range  
Check it, got haters like X had Brother Baines  
Used to have quarter thangs but now I got quarter games  
Got a quarter of a movie, here come on the trains I'm not tryin' to be your girlfriend  
(You dig)  
I ain't even tryin' to lock you in  
There's no need for us to pretend  
I'd rather spend yo' dividends You and me can be lover friends  
I'd rather keep this between us two  
Let me know when you wanna begin  
And let me tell you what I want from you I need a man, who's up on his game  
And can give me some affection, satisfy me many ways  
Are you the one to do it for me playa?  
Do it for me playa?  
Then maybe I can hook up witcha later
