Starvation

Derrick Morgan

Work like a pawn and you have no pay to get
All day long
Work like a fool and they're takin' on what's good
All day longBoys are girls are in the streets
Seeking work, yeah, in the heat
No shoes on their feet
No food for them to eatStarvation, yeah, on the land
Starvation, yeah, on the landNo one can sight what the crime, no man can bear the pay
All day long
And have nowhere to stay in this town, no handshake
All day longBoys are girls are in the streets
Seeking work, yeah, in the heat
No shoes on their feet
No food for them to eatStarvation, yeah, on the land
Starvation, yeah, on the landNo one can sight what the crime, no man can bear the pay
All day long
And have nowhere to stay in this town, no handshake
All day longBoys are girls are in the streets
Seeking work, yeah, in the heat
No shoes on their feet
No food for them to eatStarvation, yeah, on the land
Starvation, yeah, on the land
Starvation, yeah, on the land
Starve
