

What If It's You (feat. Hayden Panettiere)

Nashville Cast

You scared to death, pretty baby
'Cause you might be fallin'
Just watch your step, pretty lady
When he comes a callin'
You got a habit of runnin' too fast
Better slow down or you're never gonna last
Be hard to get, pretty baby
They'll come a crawlin' Grown men don't play games
Yeah
And a grown woman won't take it anyway What if it's you and not the world
That's breaking your heart
That's breaking your heart
And if you choose to chase the ones
That tear you apart
That tear you apart, whoo You don't know, you don't know what you're doin'
You blame anybody but your own damn self
Doesn't that hurt (doesn't that hurt)
Don't you ever wonder
What if it's you and not the world
That's breaking your heart
That's breaking your heart
That's breaking your heart
You think you're smooth, little brother
But you're only talkin'
You're just a part time lover
'Cause you never clock in
You got a habit of runnin' away
Better look back yeh before it's too late
Don't be a fool, little brother
When the world comes knockin'
Grown men don't play games And a grown woman won't take it anyway
What if it's you and not the world
That's breaking your heart
That's breaking your heart
And what if you choose to chase the ones
That tear you apart
That tear you apart, whoo You don't know, you don't know what you're doin'
You blame anybody but your own damn self
Doesn't that hurt (doesn't that hurt)
Don't you ever wonder
What if it's you and not the world

That's breaking your heart
That's breaking your heartOoh yeahWhat if it's you and not the world
That's breaking your heart
Your heart
And what if you choose to chase the ones
That tear you apart
That tear you apartOh yeahYou don't know, you don't know what you're doin'
You blame anybody but your own damn self
Doesn't that hurt (doesn't that hurt)
Don't you ever wonder
What if it's you and not the world
That's breaking your heart
That's breaking your heart
Ooh ooh
