Mogadishu

Baader Meinhof

I had to cut a deal
with some pop stars in the night
I'm down as an extremist
- he's a parasite
Drive me to the city limits - God is war
and love
your lucky star fell out the sky
- the mother ships above
Captain Martyr Mahmoud says
it's a 24 hour flight
when the fireworks hit you
Mogadishu
On a beautiful Saturday night
your captain is a cypher
an informant from Dubai
each traitor gets 4 cigarettes
and makes his will to die
Christ was an extremist
with Kamikaze soul
Happy Birthday Anna
your 29 years old
and I've got to find a superstar
and I've got to find the girls
to take me to the city limits
to the mother ship below
