So many stars

Stacey Kent

The dawn is filled with dreams
So many dreams, which one is mine
One must be right for me
Which dream of all the dreams
When there's a dream for every star
And there are oh, so many stars, so many starsThe wind is filled with songs
So many songs, which one is mine
One must be right for me
Which song of all the songs
When there's a song for every star
And there are oh, so many stars, so many starsAlone, the countless days
The endless nights that I have searched
So many eyes, so many hearts, so many smilesWhich one to choose? Which way to go?
How can I tell ? How will I know ?
Out of oh, so many stars, so many stars
