Jefferson Aero Plane

Relient K

If it hurts, kiss it better
You wear skirts, I write nice letters
Never said nothing with flowers
Though we always talked for hoursAnd it seems to get much colder
When you cry on your own shoulder
And we know the show must go on
Guess I know, I guess I'll throw onSome Jefferson Aero Plane
I'm trapped and I am enclosed
But I won't complain
I'll open all the windowsJefferson Aero Plane
I'm trapped and I am enclosed
But I won't complain
I'll open all the windows'Cause when it's colder
I feel much better
When I cry on my own shoulder
Just throw on a sweater and goAnd I'll go to undergo a change of heart
A change of clothes
And when I'm home, I think I'll go eat cereal
And stare out the windowI'll make the calls you cover your ears
Niagara Falls, still flows on New Year's
I will save your plunging neck-line
Kiss your face, you try to deck mineIf I behave it's gonna cost him
Skip the rave in Downtown Boston
We all know the show must go on
Guess I know, I guess I'll throw onSome Jefferson Aero Plane
I'm trapped and I am enclosed
But I won't complain
I'll open all the windowsJefferson Aero Plane
I'm trapped and I am enclosed
But I won't complain
I'll open all the windows'Cause when it's colder
I feel much better
When I cry on my own shoulder
Just throw on a sweater and goAnd I'll go to undergo a surgery
To purge me of this lonely mood
And my ego, the status quo
Provides me with a decent attitudeAnd I'll go to undergo a change of heart
A change of clothes
And when I'm home, I'll think I'll go eat cereal

And stare out the window'Cause you confused me more than anyone
An adjustment has begun
To let me feel the desperate need
To leave what we undid undoneAnd maybe you could sympathize
With the bags under my eyes
And we'll see the signs are saying
That we have used up all our triesTo be a better person
To be a better friend
To be a better son
He tries to be a better someoneThat understands the difference
And that he can't show all the people
All the things that really mean
As much as he couldFeels like I don't remember
Ever being this tired
Before now my eyes were closed
To all of the beauty in this worldJefferson Aero Plane
I'm trapped and I am enclosed
But I won't complain
I'll open all the windowsJefferson Aero Plane
I'm trapped and I am enclosed
But I won't complain
I'll open all the windows'Cause when it's colder
I feel much better
When I cry on my own shoulder
Just throw on a sweater and goAnd I'll go to undergo a surgery
To purge me of this lonely mood
And my ego, the status quo
Provides me with a decent attitudeAnd I'll go to undergo a change of heart
A change of clothes
And I'll go, oh yes, I'll go
And the new me shows so everybody knowsThat I've found myself able to fly away
Without magic feathers
Or Jefferson Aero planes
I've got with me all that I need
