

Only Shallow

My Bloody Valentine

Sleep like a pillow
Downward and
Where she won't care
Anyway where Soft as a pillow
Touch her there
Where she won't dare
Somewhere Sleep like a royal subject
Think that you grew
Stronger there Speak your troubles
She's not scared
Soft like there's silk
Everywhere Sleep is a pillow
Come where she won't dare
Anyway where Look in the mirror
She's not there
Where she won't care
Somewhere
