I Just Can't Wait to Be King

Allstar Weekend

I'm gonna be a mighty king

So enemies beware

Well, I've never seen a king of beasts

With quite so little hairI'm gonna be the mane event

Like no king was before

I'm brushing up on looking down

I'm working on my roarThus far a rather uninspiring thing

Oh, I just can't wait to be king

(You've rather a long way to go)

(Young master, if you think) No one saying do this

(Now when I said that, I)

No one saying be there

(What I meant was) No one saying stop that

(Look, what you don't realize)

No one saying see here

(Now see here)Free to run around all day

(Well, that's definitely out)

Free to do it all my wayI think it's time that you and I

Arranged a heart to heart

Kings don't need advice

From little hornbills for a startIf this is where the monarchy

Is headed, count me out

Out of service, out of Africa

I wouldn't hang about

This child is getting wildly out of wingOh, I just can't wait to be kingEverybody look left

Everybody look right

Everywhere you look

I'm standing in the spotlightNot yet

Let every creature go for broke and sing

Let's hear it in the herd and on the wing

It's gonna be King Simba's finest flingOh, I just can't wait to be king

Oh, I just can't wait to be king

Oh, I just can't wait to be king
