Hey Baby

Koko Taylor

Verse 1
Hey baby, tell me why you're hangin' 'round
Ain't got time for kissin', too busy in this town
All you fancy men, so fun in between
I don't need no fancy types I need ones that's clean

Hey baby, jump into the back of my Ford
I'm gonna give you a ride, you never could afford
Hey baby
Hey baby

Follow me down to my house, I'll show you a real love game.
Yes I will

Verse 2
Hey baby, jump in the back of my car
I'm gonna hug and kiss you, I'm gonna stir your heart
All you fancy men, so fun in between
I don't need no fancy types I need ones that's clean

Hey baby, tell me why you hanginâ€™ round
Canâ€™t go steady, too busy in this town
Hey baby
Hey baby

Follow me down to my house, I'll show you a real love game.
Yes I will

Verse 3

Hey baby, tell me why you hanginâ€™ round
Canâ€™t go steady, too busy in this town
All you fancy men, so fun in between
I don't need no fancy types I need ones that's clean

Hey baby, jump in the back of my Ford
Gonna give you a ride, you never could afford
Hey baby
Hey baby

Follow me down to my house, I'll show you a real love game.
Yes I will

Hey baby, jump in the back of my car
I'm gonna hug and kiss you, gonna stir your heart
All you pretty men, so fun in between
I don't need no fancy types I need ones that's clean

Hey baby, jump in the back of my Ford
Gonna give you a ride, you never could afford
Hey baby

Follow me down to my house , I'll show you a real love game.
Yes I will
