

# Can't Stop

[MoZella](#)

Speak to me, read my mind  
Fill your mouth, with flesh and wine And I'll be yours, just give me time  
Give me time 'Cause you have everything I could ever want  
You have everything I could ever want  
You speak to my soul like you've known it before  
And I just can't stop  
Lord I can't stop, myself  
I can't stop  
Lord I can't stop, myself, now I'm losing sleep, over you  
And I don't know what, I've got myself into  
You just have something that I need  
I can't put my finger on it  
You can't put yours on me You have everything I could ever want  
You have everything I could ever want  
You speak to my soul like you've known it before  
And I just can't stop  
Lord I can't stop, myself  
I can't stop  
Lord I can't stop, myself, now (Now) That you know, I can't get enough  
I gotta have all your love You have everything I could ever want  
You have everything I could ever want  
You speak to my soul like you've known it before  
And I just can't stop  
Lord I can't stop, myself  
I can't stop  
Lord I can't stop, myself  
I won't stop  
Lord I can't stop, myself  
I can't stop  
Lord I can't stop, myself, now
