

# Clean Up Woman

Betty Wright

A clean up woman is a woman who  
Gets all the love we girls leave behind  
The reason I know so much about her  
Is because she picked up a man of mine  
Jumpin' slick was my ruin  
'Cause I found out all I was doin'  
Was makin' it easy for the clean up woman  
To get my man's love, aww, yeah  
Just makin' it easy for the clean up woman  
To get my baby's love, huh huh  
I took this man's love and put it on a shelf  
And, like a fool, I thought I had him all to myself  
When he needed love, I was out havin' fun  
But I found out that all I had done  
Was made it easy for the clean up woman  
To get my man's love, huh huh  
Yeah, that's what I did  
I made it easy for the clean up woman  
To steal my baby's love, aw, yeah  
The clean up woman will wipe his blues away  
She'll give him plenty lovin', twenty four hours a day  
The clean up woman, she'll sweep him off his feet  
She's the one who'll take him in when you dump him in the street  
So take a tip, you better get hip  
To the clean up woman, 'cause she's tough  
I mean, she really cleans up
