Lost Lander

the only crime was i was under orders
the only son of fourteen daughters
that was me, pretending to be in prison
i changed the picture from inside the televisionyou go berserk when i change the rules of the game
i will repeat each word of it just the same
this quality time isn't quality time at all
this quality mind doesn't answer when i call iti am greedy for your heart
i would love to change your mind
help me leave from my grieving for a while
there is a hole inside my brain
big enough for the two of us
if i could just get down where you want it
this sinking feeling, i'll never rise above itit takes every creature, it takes every kind
a momentary lapse of the mind
i am in the moment, i'm perfectly here
i can't take the past off
can't get myself cleari am greedy for your heart
i would love to change your mind
help me leave from my grieving for a whileit takes every creature, it takes every kind
a momentary lapse of the mind
i am in the moment, i'm perfectly here
i can't take the past off
can't get myself clear
it takes every creature, it takes every kind
a momentary lapse of the mind
i am in the moment, i'm perfectly here
i can't take the past off
i can't take the past offi am in the moment, i'm perfectly here
i can't take the past off
i can't take the past off
