Summertime

Tyga

This that feel good music right here..
haha it feels good dont it?summer summer summertime remember those?
summer summer summertime the best times was the
summer summer summertime i lover those

summer summer summertimeSummertime, the right time,daytime,right length, right watch like the nice guy,fly guy wit a nice gown gucci top with the nikes high, or the Lv with the v neck T fly, so fly on the beach..beach chair loud damn shampaign from the liquir bink on my way to the cheveron got a full tank now we ride and wherever he wanna go she know i spend c notes on my peoples well done aint nothin like the pool party fun i got plenty drink give the pool party some red rum the whole bottle of patron ..banoverise baby i got more to poor catering from roscoe's

chicken and waffles together poloticing blacks and whites and asians i lovesummer summer summertime remember those? summer summer summertime the best times was the summer summer summertime i love those summer summer summertime......im
