

Deuces

Freddie Gibbs

Young Chop on the beat Yeah. x4 Nigga can you move it. Yeah... Choppin' up the yayo, on the table can you move it

We just making money let these haters make excuses
Had to drop my bitch she thought the dick was too exclusive
Jump back in my foreign thang and shot that bitch the deuces Deuces... deuces
Ya bitch I shot that bitch the deuces... deuces
Ya bitch I shot that bitch the deuces... deuces
Ya bitch I shot that bitch the deuces... deuces

Yeah...

Gangster Gibbs never gave no fucks
Keep at least 5 hitters in the trunk
Got a nigga tip toeing through the town town, and you're motherfucking down roll the windows up
Let the K blow his windows out
Hit his house put the thang in his mouth
When you fucking with some niggas that dont give a fuck about it life sentence this is how it goes down

This is how it goes down

Turn the lights off

Walk back drive back get your popped off?
Set em straight yellow tape nigga white chalk
Solo cuz a fuck nigga might talk
Solo cuz a fuck nigga might switch
But next time caught money get it right bitch
Cuz man I know a motherfucker that hit his own mother for a little bit of brown and the white shit
So how you live nigga?

And its say ABK all day everyday till the day I die

Young nigga drug dealer got his squad full of killas and they all gonna ride

So its ABK all day everyday till the day I die

Young nigga drug dealer got his squad full of killas and they all gonna ride Choppin' up the yayo, on the table can you move it

We just making money let these haters make excuses
Had to drop my bitch she thought the dick was too exclusive
Jump back in my foreign thang and shot that bitch the deuces Deuces... deuces
Ya bitch I shot that bitch the deuces... deuces
Got rich and shot the bitch the deuces... deuces
