## MÃ˜

I feel the water flow as I watch him go
Boy, life is cynical despite my heart of gold
Oh, no, buddy, don't you cry as they go
Life changes all of us,
It's not your fault no, no, no(Oh) Where did they all run to?
(Oh) Where the sky is blue forever(Oh)Where the sky is blue foreverLife is deepest business you know
Who's gonna care for your bleeding soul?
Take a run, take a run with me
Where the sky is blue foreverTill the end of timeHum dear buddy, don't you cry when she goes
'Cause life is cynical despite your heart of gold
Oh, no, buddy, don't you cry as they go
Life makes us critical and all we gotta change about(Oh) Where did they all run to?
(Oh) Where the sky is blue forever(Oh)Where the sky is blue foreverLife is deepest business you know
Who's gonna care for you're bleeding soul?
Take a run, take a run with me
Where the sky is blue foreverRun where
Run where
Run where
Run where
Run where
Run where (Where the sky is blue forever)(Oh) Where did they all run to?
(Oh) Where the sky is blue forever(Oh) Where did they all run to?
(Oh) Where the sky is blue foreverTill the end of timeDiplo (Diplo)
Diplo (Diplo)
MÃ˜ (MÃ˜)
MÃ˜ (MÃ˜)Life is deepest business you know
Who's gonna care for you're bleeding soul?
Take a run, take a run with me
Till the end of timeLife is deepest business you know
Who's gonna care for you bleeding soul
Take a run, make a run and be free
Where the sky is blue forever
