

# Where Do Hearts Go

Alexandra Burke

You gave my wings to fly way up high  
Oh you showed me the love could bring anything  
Yeah you lifted my soul inside to clear those skies  
Oh you listened to me to see all I can be, yeah

Gotta let you know  
I don't know what your love means,  
Are you near or far?  
And I need to know!

Don't wanna waste one more hour,  
Wondering where you are  
And where do hearts go  
When love, love goes?!

I see the light,  
My wings were fly  
I know my heart will breathe again  
FOR YOU!

One day, our love will spread again! I said you put joy in amazing things, made everything  
Yeah you know what I felt inside

I could never hide from  
Brought out the best in me for all to see  
Yeah you, made me believe in me  
You set ME FREE  
Gotta let you know

I don't know what your love means,  
Are you near or far?  
And I need to know!

Don't wanna waste one more hour,  
Wondering where you are  
And where do hearts go  
When love, love goes?!

I see the light,  
My wings were fly  
I know my heart will breathe again  
FOR YOU!

One day, my love will shine again!  
Will shine again, oooh  
We'll smile again

We'll smile again Where do hearts go?!  
When love, love goes?!

I see the light,  
My wings were fly  
I know my heart will breathe again  
FOR YOU! One day!!  
Where do hearts go?!  
When love, love goes?!  
I see the light,  
My wings were fly  
I know my heart will breathe again  
FOR YOU  
SO one day, our love will shine again!  
We're gonna shine again...we're gonna shine again  
Again again again  
My heart will breathe again for you  
One day...
