Invincible

Muse

Follow through Make your dreams come true Don't give up the fight You will be alright 'Cause there's no one Like you in the universe Don't be afraid What your mind consumes You should make a stand Stand up for what you believe And tonight we can truly say Together we're invincible During the struggle, they will pull us down But please, please, let's use this chance to turn things around And tonight we can truly say Together we're invincible

Do it on your own
It makes no difference to me
What you leave behind
What you choose to be
And whatever they say
Your soul's unbreakable
During the struggle, they will pull us down
But please, please, let's use this chance to turn things around
And tonight we can truly say
Together we're invincible, together we're invincible
During the struggle, they will pull us down
But please, please, let's use this chance to turn things around
And tonight we can truly say
Together we're invincible, together we're invincible
