Wishing Stone

Dot Allison

You tore my skin
But I didn't bleed
Tried to steal my thoughts
From in my sleep
Its through, not blue, not blue
Not blueYou tore me down
But I'm standing tall
From over here
You look very small
Its through not blue, not blue
Not, not blueYou're bleeding faster
You're bleeding faster
You're bleeding faster, faster
Yeah, you're bleeding faster
Yeah, you're bleeding faster
Yeah, you're bleeding faster
Faster
Faster
