

Good Morning Hawaii

Kolohe Kai

Aloha!

Good morning, Hawaii, Hawaii

Iâ€™ve been waiting for you
The sun is rising, rising now
I see you rising too

Everybodyâ€™s waking
Theyâ€™re on their way
All because youâ€™re waking
A new Hawaiian day

Good morning, Hawaii
You have been sleeping for too long
Good morning, Hawaii
You are the empress of my heart
Why donâ€™t you wake up, wake up
Why donâ€™t you wake up, wake up

You, yeah, you, I see opening your eyes
Coloring in the sky, so nice
and when you enter to the room
Everything begins to bloom

Your mountains keep me smiling, ooh
Your oceans keep me cool, yeah
People come and see these islands
To catch a glimpse of you

Good morning, Hawaii
You have been sleeping for too long
Good morning, Hawaii
You are the empress of my heart
Why donâ€™t you wake up, wake up
Why donâ€™t you wake up, wake up

Why donâ€™t youâ€¦Hawaii

The moment you start rising
Everything begins to breathe

Hereâ€™s a message to our island

We love you, Hawaii

We love you, canâ€™t you see....

Good morning, Hawaii

You have been sleeping for, for too long

Good morning, Hawaii (Good morning, Hawaii)

You are the empress of my heart

Good morning, Hawaii (Good morning, Hawaii)

You have been sleeping for too long (wake up, wake up)

Good morning, Hawaii

You are the empress of my heart

Why donâ€™t you wake up, wake up

(Wonâ€™t you wake up now)

Wake up, wake up

(Youâ€™ve been sleeping for so long)

Just wake up

Good morning, Hawaii
