Over 'n' Out

Holly Valance

Do you read me
Do you read me
Come with me guaranteed
Do you read me
Everywhere we go we're gonna rip it up
(Over and out)
Step inside
It's free to ride
Keys in the ignition
Gonna burn it up
(Over and out)
I don't know what the future holds
I don't care
Place your hands, now we're on a roll
All say yeah
No one knows what the future holds
No one cares
All say yeah
Get in line 'cos I'm on patrol
No matter who you are
Just get with me
You don't need an invitation
We're tearing this place apart
You know it 'cos
We're causing a real sensation
(Over and out)
Roll it out, getting loud
Cos now it's party time
Kicking up our feet
Joie de vive, dance with me
(Over and out)
We don't have to force it
Gonna make it rhyme
(Over and out)
I don't care
I don't know what the future holds
Place your hands, now we're on a roll
No one knows what the future holds
All say yeah

No one cares
Get in line 'cos I'm on patrol
All say yeah

No matter who you are
Just get with me
You don't need an invitation
We're tearing this place apart
You know it 'cos
We're causing a real sensation
Do you read me
Do you read me
Over and out
Do you read me
Yeah, ain't nothing better
And yeah, there's no one ever, oh
I don't know what the future holds
I don't care
Place your hands, now we're on a roll
All say yeah
No one knows what the future holds
No one cares
All say yeah
Get in line 'cos I'm on patrol
No matter who you are
Just get with me
You don't need an invitation
We're tearing this place apart
You know it 'cos
We're causing a real sensation
No matter who you are
Just get with me
You don't need an invitation
We're tearing this place apart
You know it 'cos
(We're causing a real sensation)
We're causing a real sensation
Do you read me
Do you read me
A real sensation
Do you read me
Do you read me
A real sensation
(Real sensation)
