

# Runaway (Live In Texas-Summer Sanitarium 2003)

## Linkin Park

Graffiti decorations  
Under the sky of dust  
A constant wave of tension  
On top of broken trust  
The lessons that you taught me  
I learned were never trueNow I find myself in question  
They point the finger at me again  
Guilty by association  
You point the finger at me againI wanna run away  
Never say goodbye  
I wanna know the truth  
Instead of wondering why  
I wanna know the answers  
No more lies  
I wanna shut the door  
And open up my mindPaper bags and angry voices  
Under a sky of dust  
Another wave of tension  
Has more than filled me up  
All my talk of taking action  
These words were never trueNow I find myself in question  
They point the finger at me again  
Guilty by association  
You point the finger at me againI wanna run away  
Never say goodbye  
I wanna know the truth  
Instead of wondering why  
I wanna know the answers  
No more lies  
I wanna shut the door  
And open up my mindI'm gonna run away, and never say goodbye  
Gonna run away, gonna run away  
Gonna run away, gonna run away  
I'm gonna run away and never wonder why  
Gonna run away, gonna run away  
Gonna run away, gonna run away  
I'm gonna run away and open up my mind  
Gonna run away, gonna run away  
Gonna run away, gonna run away

Gonna run away, gonna run away  
Gonna run away, gonna run awayI wanna run away  
    Never say goodbye  
    I wanna know the truth  
    Instead of wondering why  
    I wanna know the answers  
        No more lies  
        I wanna shut the door  
And open up my mindI wanna run away and open up my mind  
    I wanna run away and open up my mind  
    I wanna run away and open up my mind  
    I wanna run away and open up my mind
