

Come Back Baby

[Aretha Franklin](#)

Oh come back, baby
Baby please don't go, yeah
'Cause the way I love you
You'll never know
Come back baby
Let's talk it over, yeah one more time
Oh oh, yeah Well I admit, baby (yes I admit)
That I was wrong (that I was wrong)
Don't you know, baby (don't you know baby)
You've been gone too long (gone too long)
Come back baby
Let's talk it over, he, he, one more time
Oh yeah Now one of these days, baby (one day)
And it won't be long, no, no (one day soon)
You gonna look for me, yeah
And I'll be gone
So come back, yeah
Oh, let's talk it over one more, one more, one more time
Yeah one more time If I could holler
Like a mountain jack
People must learn how to give
Call my baby back
Come back baby
Let's talk it over one more time
Yeah, one more time, yeah Come back baby
Let's talk it over (let's work it out)
Yeah, one more time
Oh yeah, one more time
I say, one more, one more time
Oh, one more time
Baby, just one more time
Oh, one more time
Yeah one more time
