

# Footloose And Fancy Free

## Camera Obscura

Buy me an advent calendar  
It seems the thought of days  
Without you make me sadder  
Don't visit me now  
You make me want to do myself in  
I'll see you some time  
But I won't see you soon  
I know something's about you  
I won't spill the beans  
There's a spool in my own camera  
That's never been seen  
I could write it all down but it won't be enough  
I want you to be happy with someone to love  
It won't be me  
It won't be you  
Pretty soon we'll agree to be free  
Footloose and fancy free
