Don't Talk 2 Strangers

Chaka Khan

Lil' darlin', gotta go now
Don't know when I'll be coming back
Got my future all planned out
Got my bags packed
Things don't always turn out right
But that's just the way it goes
Before I leave you there's just a few
Things you should know
Don't talk to strangers
Don't forget to say your prayers at night
Remember God, He made you
And one day He'll make everything alright
Don't cross on the yellow
You always got to wait for a green light
Remember God, He made you
And one day He'll make everything alright
Lil' darlin', gotta go now
Don't worry, you'll be just fine
When it comes to good luck
I just know you'll always be first in line
Nobody will ever love you
As much as I do
But that doesn't mean
Other people won't love you, too
Don't talk to strangers
Don't forget to say your prayers at night
Remember God, He made you
And one day He'll make everything alright
