Closer to My Heart

Ratt

Ah, I listen to you, are you listening to me
The way that you are, it's easy to see
Feelings for you, now I feel free
I'm lost in timeIt's not the way that you hold me
It's not that I really care
It's not to say that to love is to own me
You're tangled up in my lairYou broke your promises
Fallen out of love
You broke your promises
Fallen out of loveWhen you cross the line
You're one step closer to my heart
Closer to my heart
One step closer to my heart
Closer to my heartIndecision, it's all been heard
No more confusion, the page has turned
Still with the darkness of the night
I always see the lightIt's not the way that you hold me
It's not that I really care
It's not to say that to love is to own me
You're tangled up in my lairYou broke your promises
Fallen out of love
You broke your promises
Fallen out of loveWhen you cross the line, then you'll find
That you're one step closer to my heart
Closer to my heart
One step closer to my heart
Closer to my heartYou broke your promises
Fallen out of love
You broke your promises
Fallen out of loveWhen you cross the line, then you'll find
That you're one step closer to my heart
Closer to my heart
One step closer to my heartOne step closer to my heart
Closer to my heart
Closer to my heart
One step closer to my heart
Closer to my heart
Closer to my heart
