Red Man

Kenna

Voice too loud to hear
Laugh too hard to feel
When I fall asleep
I'm a puppet cutting stringsWhen your eyes
Open large and wide
In a different light
Eyes open for the sun
In a different timeRed man's got you crazy, sad, sad
Life is not a daisy, sad, sad
Come on in and save me, come on, come on
I don't mean to bring you down
I don't mean to bring you downLegs too weak to walk
We live to crawl
Oh, as I fall on my knees
I'm a puppet cutting stringsWhen your eyes
Open large and wide
In a different light
Eyes open for the sun
In a different timeRed man's got you crazy, sad, sad
Life is not a daisy, sad, sad
Come on in and save me, come on, come on
I don't mean to bring you down
I don't mean to bring you downLove lift me high
Heal me tonight
We're gonna try and make itLove lift me high
Give me the sign
We're gonna live foreverLove lift me high
Heal me tonight, yeah
Love lift me high
Heal me tonightRed man's got you crazy
Life is not a daisy
Come on in and save me, come on
I don't mean to bring you down
I don't mean to bring you down
