

# Love of the Common People

Eric Donaldson

Living on free food ticket,  
Water in the milk from the holes in the roof when the rain came through  
What can you do o o o  
Tears from your little sister,  
Crying cos she doesn't have a dress but a patch oh poor little girl  
But what do you know she'll get by  
For she's been living in the love of a common people,  
Smiles on the heart of a family man,  
Daddy's gonna buy you twinkle twinkle  
Mummy's gonna love till as much as she can

It's a good thing you don't have a bus fare  
It will fall through the holes in your pocket and you lose it to the snow on  
The ground  
You got to get into town to find a job  
Trying to keep your hands warm  
But the holes in your shoes and the snow comes through boy chills you to the  
Bone  
I say you better go home where you'll be warm  
And you will live in the love of a common people  
Smiles on the heart of a family man  
Daddy's gonna buy you twinkle twinkle  
Mummy's gonna love till as much as she can,...she can,she can she cannnn

Living on dreams ain't easy  
The clothes underneath  
The tighter they fit and the chill stay away  
You got to put on your stride family pride  
You know that faith is your foundation  
With a whole lot of love and a warm conversation all over the place  
I say you better go home  
Where you'll be strong  
And you will live in the love of a common people  
Smiles on the heart of a family man  
Daddy's gonna buy you twinkle twinkle  
Mummy's gonna love till as much as she can.....
